A useful visual library.

From the first impression to the details a guest wants to see.

Property photography

Architecture, rooms, shared spaces and the details that give a stay its character.

Property films & walkthroughs

A connected view of the spaces, designed around the property and the story.

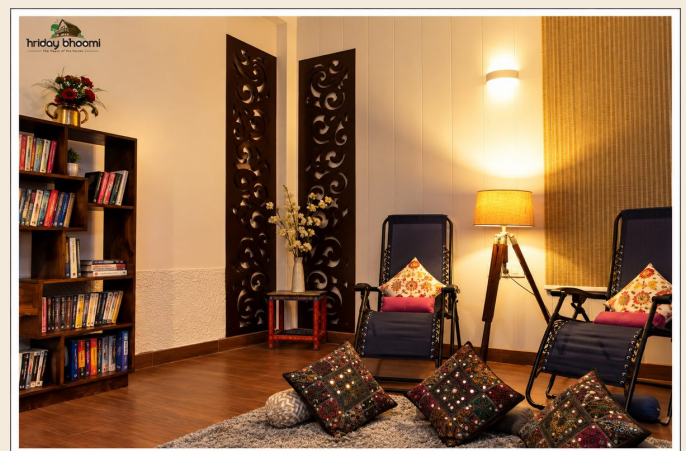

Reels & campaign variations

Short edits and channel-ready formats for different parts of the same stay.

Deliverables, schedule and review terms are agreed per project.

Hriday Bhoomi

Jim Corbett, Uttarakhand

Architecture, grounds and the details of a stay.

Property photography and finishing by stayCraft.

Whispering Pines

By Casa De Bello / Malla Ramgarh

Rooms, warm timber and a setting in the hills.

Property photography and finishing by stayCraft.

The Tahoma

Mukteshwar, Uttarakhand / Property films

A film that gives the spaces time.

Rooms, timber details and a balcony, connected through considered framing and movement. These images are frames from our original property film.

[Watch the property film](#)

Hidden Lake

By Vista Stays / Naukuchiyatal, Uttarakhand

The setting, and the spaces within it.

Watch the property film

Care, from brief to delivery.

01 Understand

Your property, audience and priorities.

02 Plan

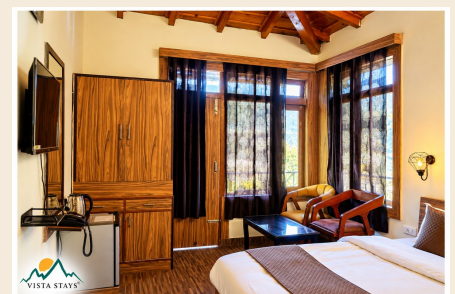

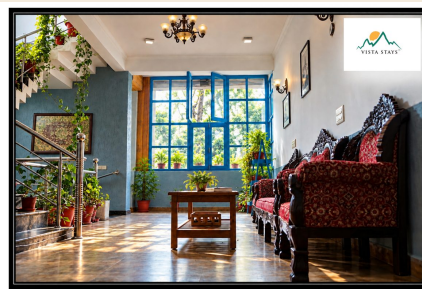

Coverage, deliverables, schedule and review terms.

03 Create

Careful shooting, selection, editing and checks.

04 Deliver

An organised set in the formats agreed with you.

Also selected: The Dhela Jungle Resort, Hotel Vista and The Raikwal's Hotel & Restaurant.

A consistent approach, adapted to each property.

Let's frame your stay.

Tell us your property name, location, the content you need and your preferred shoot dates.
